

FIRE AWARENESS WORKSHOP FOR COMMUNITY MEMBERS

The Shire of Plantagenet invites all community members to participate in an upcoming fire awareness workshop, presented by Community Emergency Services Manager Jo Weekes on 28 October 2017.

This workshop will give you a chance to get together with other residents and talk about bushfire safety and preparedness, covering a range of topics such as what effect weather has on fires, what makes a fire, what to wear, what to look for, where to look and how to be prepared.

Each person and property are unique so with your input these interactive sessions will equip you with the basic knowledge to help you make informed decisions when it comes to you and your family's safety.

The workshop will be held at Frost Oval on Saturday 28 October 2017 starting at 10:00am and will run for approximately two hours.

A light morning tea will be provided.
