

Guidelines for Submitting a New Street Name

1. The first step to submitting a proposal for a new name is to ensure the name isn't already included on the Council's Future Street Name and Reserves Register. The Register is attached to this document.
2. Read the following simple guidelines taken from Landgate's '*Policies and Standards for Geographical Naming in WA*' (Version 01:2017) before making a submission.
 - When the proposal is for a road name, the name should be one word.
 - The name should conform to standard Australian English where possible.
 - If the name originates from an Australian Aboriginal language local to the area it must be written in a standard recognised format and the use is subject to agreement from the relevant Aboriginal communities.
 - The name must not be discriminatory, offensive or derogatory to a particular group, gender or religion.
 - Possessive apostrophes shall not be used, however, an apostrophe forming part of a name may be included eg O'Connor.
 - Names which have geographical significance or are names of early explorers, discoverers, settlers, naturalists, surveyors etc are generally acceptable. They will be deemed appropriate by Landgate where they are relevant to the location of the Shire of Plantagenet.
 - New road names shall not include the definitive article 'The' eg The Avenue.
 - If submitting a commemorative name the following should be applied:
 - The name should be one word and be the surname;
 - The name should be after a specific individual, not a family, and the individual must be deceased;
 - Permission from the immediate family must be obtained;
 - A demonstrated record of achievement must be provided and evidence the individual has had a direct and long term association with the Shire of Plantagenet and has made a significant contribution to the area.
 - Animal and plant names may be submitted but must be relevant and significant to the Shire of Plantagenet area. Pet names will not be supported.
3. All naming proposals must be put in writing and should include:
 - a) Applicant details (in case we need to contact you for more information);
 - b) The proposed name and any relevant origins/source/historical context;
 - c) Where applicable, evidence of landowner, family or community support; and
 - d) If the name is Aboriginal in origin, evidence or support from the relevant Aboriginal Community.
