Langton Road Drainage Update

Works to upgrade Langton Road from Lowood Road to Eaton Avenue will remain on hold until after Christmas.

Works on the project were due to start again in late October/early November, however, the extended periods of heavy rain in late September meant the drainage works could not be re-commenced. It is anticipated that the contractor will resume work again in January 2018.

David Lynch, Manager Works and Services said 'Residents can be assured that the works, once commenced, will be carried out as quickly and efficiently as possible. Given the delay, minor works have been carried out to enable the use of parking spaces on Langton Road adjacent to Plantagenet Village Homes and Strike Me Pink Nursery.'

For more information contact the Works and Services Department at the Shire of Plantagenet on (08) 9892 1111.
