Plantagenet District Hall Revitalisation

The Plantagenet District Hall Revitalisation Project is one step closer to completion and work has already begun on Stage Two. Stage One, funded by Lotterywest included the construction of a new stage and bio-box and the installation of access ramps and air conditioning, some painting and back-stage dressing rooms and amenities upgrades.

Tiered seating and cycloramas have been ordered and their installation forms part of Stage Two. The public rest-room upgrade and fit-out is underway.

A submission for Royalties For Regions funding via the Regional Grants Scheme (RGS) to upgrade entrances and paint internal surfaces has been approved and contractual arrangements for the funding is in progress.

Completed works includes the performance stage and bio-box.
