

## **Public Electronic Notice Board**

---

Residents may have seen the new public electronic notice board which has been installed at the front of the Shire's administration building.

The Council has erected the notice board to more effectively communicate Shire based advice and important notifications to the public.

The Shire has adopted a policy on the type of notifications that can be displayed. While commercial advertising will not be allowed on the notice board, the Council may permit applications relating to community based festivals and events which have Shire involvement or support.

In order to apply to have a message displayed, simply write or send an email to the Shire with the details. Queries can be directed to Deputy Chief Executive Officer, John Fathers on telephone 9892 1124.

Rob Stewart  
Chief Executive Officer
