IF ONLY....

You may have noticed the Plantagenet RoadWise signs situated at the main four access points to the townsite of Mount Barker (Oatlands, Langton and Albany Highway north and south) have had a message added to them recently.

Initially provided by WALGA RoadWise, the blue signs have been installed with the intent to remind motorists of the RoadWise message 'Working Together to Save Lives'. The Plantagenet RoadWise Committee agreed the message needed to be reinforced through the installation of drop down tags with small messages on them. Starting with 'If only...' the small messages remind motorists of ways by which simple decisions can have a large effect on road safety.

Cr Len Handasyde, Chairman of the Plantagenet RoadWise Committee stated that the drop down tags are to 'Remind motorists as a collective to be ever vigilant and mindful when behind the wheel and to not take chances with anyone's safety as the consequences can be severe.'

The Plantagenet RoadWise Committee meets bi-monthly. If you have any road safety issues within the Shire of Plantagenet you would like addressed please contact the Shire of Plantagenet by telephone on (08) 9892 1111 or email info@sop.wa.gov.au
