

## **NEW LOOK SWIMMING POOL FOR THE NEW SEASON**

Anyone driving past the swimming pool in the last couple of weeks will have noticed a lot of activity getting the pool ready for the 2017/2018 season.

Despite a later than anticipated start brought about by the rain weather event late in September, work on the refurbishment of the pool is progressing well. Pardelup Prisoners have been helping out, busily mowing lawns and giving a lot of the metal structures a fresh lick of paint.

Meanwhile contractors are tiling the walls of the pool and will be painting the pool floor as soon as the tiling is complete. The tiles will provide a hardwearing, and attractive surface that will require less maintenance into the future.

‘As with anything we do in Mount Barker, we are checking the weather forecast every day, hoping for a good spell of dry weather’ said Acting Chief Executive Officer, John Fathers, ‘We are hoping to open the pool early in December in time for the school holidays’.

Once the pool is filled up with water, the community will be informed of the opening date, via the electronic noticeboard outside the Shire Office, on the Shire website and signage on the pool fence.
