WORKS UNDERWAY TO REPAIR DAMAGE TO ROADS CAUSED BY STORM IN SEPTEMBER 2017

Following approval by the Commonwealth Government in October 2017 of the storm event in the Great Southern on 25 and 26 September 2017, work continues to repair damaged roads within the Shire of Plantagenet.

Funding of \$1.9 million has been approved for repairs to roads under the Western Australia Natural Disaster Relief and Recovery Arrangements (WANDRRA).

To date works have been completed to sections of the following roads:

Barrow Road
Greenhills Road
Rogers Road
Old Coach Road
Jackson Road
Armstrong Road
Yellanup Road

Halsey Road is near completion and works on Woodlands and Millinup Roads have commenced.

Where possible, gravel has been sourced locally to use on the repair of the roads. Manager Works and Services Mr David Lynch said he would like to ‘Thank residents and motorists for their patience whilst waiting for both the State Government funding to be approved and the works to start to make the repairs. In this storm event floodways and drainage were greatly affected and in some instances roads have been narrowed to avoid the damage caused.’

Following are the roads (usually sections of, not the entire length of road) which have received approval for repairs using WANDRRA funding:
