## **Scheme water cannot be guaranteed during a bushfire**

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability. You cannot rely on scheme water.

**Full details about how to prepare for bushfire season can be found at <https://mybushfireplan.wa.gov.au/>**
