Public Notice – Albany Ring Road Stages 2 and 3B, Western Australia

(EPBC 2020/8769)

Environmental Protection and Biodiversity Conservation Act 2020/8769

The following notice is published pursuant to Section 95B (3 and 4) of the Environmental Protection and Biodiversity Conservation Act 1999 (EPBC Act)

Main Roads Western Australia is proposing the construction of approximately 7 km of dual carriageway road and associated infrastructure including drainage basins, modifications to existing roads, landscaping and revegetation within the City of Albany, approximately 390 km southeast of Perth, Western Australia.

The Albany Ring Road (ARR) alignment will allow for improved safety and efficient access to the Port of Albany, facilitate future growth in agricultural production and mining across the Great Southern Region by improving freight productivity and access to freight gateways. In addition to improving connectivity between major freight infrastructure, including airports and commercial and industrial areas, the construction of the ARR will also reduce the number of heavy vehicles sharing roads with local residents and tourists. Construction is planned to commence in late 2021 and be completed in early 2024.

The proposed action has been determined to be a controlled action under the Environmental Protection and Biodiversity Act 1999 (EPBC Act) and will be assessed through Preliminary Documentation. The controlling provision under Part 3 of the EPBC Act is listed threatened species and communities (s18 and s18A).

In accordance with Section 95A(3) of the EPBC Act, Main Roads Western Australia made the referral document and preliminary documentation related to the proposed action available for viewing and public comment from 28 September 2021 to 12 October 2021 (inclusive). No written public submission or comments were received.

In addition, the preliminary documentation has again been made available for 10 business days between 26 October 2021 to 9 November 2021. This is for information purposes only, as the final date for providing comment has passed.

The Preliminary Documentation is available at the following locations or can be viewed electronically, free of charge, at the Main Roads internet site – <https://www.mainroads.wa.gov.au/projects/initiatives/projects/regional/albany-ring-road/>

- State Library of Western Australia
25 Francis Street, Perth WA 6000
- Albany Public Library
