

## Lotterywest Grants

Thanks to the profits derived from the sale of games such as Lotto and Scratch'n'Win, Lotterywest is able to support a wide variety of not-for-profit, community-based proposals that enhance the lives of Western Australians right across our State.

Our grants are an investment in the future of your organisation and support the diversity of communities and community services by complementing contributions from other sources. They support people with special needs, disadvantaged people in our community, and initiatives that contribute towards the quality of life for all members of the Western Australian community.

### **Eligibility:**

- Not-for-profit organisations; and
- Local government authorities.

### **Projects Types:**

Grants fall under five main headings:

- Extending the capacity for not for profit organisations;

### **Deadlines for applications:**

Most grant applications can be submitted at any time. A few grants have funding rounds which have specific closing dates. Contact Lotterywest more details of these grant programs.
