Over the past 4 years, I have been fortunate enough to be part of a team that was able to deliver projects such as the Swimming Pool Stage 1A, Mount Barker Hill Board Walk and Wilson Park Masterplan.

I believe that transparency, trust building and meaningful consultation is key. As a business owner, I am passionate about community and will always advocate for the best possible outcomes of business and community. Furthermore, as a mother, I understand the need for economic growth, employment opportunities and affordable housing options.

I will always listen to individuals and the many not for profit organisations on any matters that are presented to me. Being the secretary for Empowering Plantagenet Seniors and volunteer there when time permits, I understand NFP's problems.

I look forward to the opportunity to continue to represent all to grow on the accomplishments of the past 4 years as well as to work towards building on the trust and confidence within our community going forward.
