HANDASYDE, Len

I have represented the residents of this Shire for the past 12 years. At a local level I continue to work with the Bushfire Advisory, Heavy Plant, Heavy Haulage, Roadwise and Saleyards Advisory internal Council committees.

At regional level I work with the Regional Road Group as Chair, The South Coast Alliance and the Pardelup Community Liaison Group. I have also been involved with the Mountains and Murals Advisory, Water Strategy Advisory and the Mount Barker Hill Advisory Committees.

I would like to continue representing you and I believe I have more to contribute to the process of Local Government in this Shire. If elected I will continue to advocate for good and accountable Local Government.

To continue to do this, I will need your vote.
