An invitation

It is my pleasure to invite all Elected Members, CEOs and Senior Managers to attend the 2019 WA Local Government Convention, scheduled for Wednesday, 7 – Friday, 9 August at the Perth Convention & Exhibition Centre (PCEC).

The theme for the 2019 Convention is Local Government: Re**NEW**al Pr**ACT**ical and will take place against the backdrop of the development of the new Local Government Act for WA – new legislation for Local Government that will enable the sector to reach its full potential and deal with the vast and diverse range of wants and needs of our communities.

A stimulating line up awaits us, with Lord Sebastian Coe, President of the International Association of Athletics Federations (IAAF) and Olympic Gold Medalist, our Opening Keynote Speaker. The concurrent sessions will discuss contemporary and sometimes controversial topics, while the overarching conference format provides opportunity to converse, debate, discuss and share ideas in a welcoming and professional forum.

The event gets underway with WALGA's AGM, followed by two days of plenary and concurrent sessions. We are again offering a number of field trips alongside our concurrent sessions, and this year are introducing a plenary session dedicated to showcasing WA Local Government initiatives.

A significant contingent of industry suppliers will make up the trade exhibition to demonstrate their latest offerings to the Local Government sector. I encourage you to take this once a year opportunity to meet with these valuable suppliers and be updated on what is currently available.

This year, I am pleased to announce that we have introduced a discount for Councils registering more than four (4) Full Delegates. Registrants 1-4 will be charged the standard Full Delegate rate, and each registrant thereafter (5+) will be eligible for the discounted Full Delegate registration fee. Any applicable discounts will be applied to the final invoice, following the event.

Finally, I would like to express appreciation for the valuable support provided by the Convention Founding Partner, LGIS, and Principal Sponsor, Civic Legal. I also wish to thank our Supporting Sponsors Synergy and the Department of Local Government, Sport and Cultural Industries.

I look forward to seeing you in August.

Cr Lynne Craigie OAM

Opening keynote speaker

Lord Sebastian Coe CH, KBE

President of the International Association of Athletics Federations (IAAF) and the Executive Chairman of CSM Sport & Entertainment

Lord Coe is the President of the International Association of Athletics Federations (IAAF) and the Executive Chairman of CSM Sport and Entertainment. As an athlete he won Olympic gold medals in the 1500 meters in 1980 and 1984 and set 12 middle-distance world records. He went on to become the Member of Parliament for Falmouth and Camborne and later chaired the London Organising Committee of the Olympic and Paralympic Games (LOCOG).

Sebastian Coe was born in London in 1956 and then his family moved to Sheffield. It was there that he joined the athletics team at Hallamshire Harriers, specialising in middle distance events. On leaving school, Coe studied Economics and Social History at Loughborough University and in 1977 made his first mark as athlete, winning the 800m at the European Indoor Championship.

The following year he set a new United Kingdom 800m record and in 1979 he broke the 800m, 1500m and mile world records in the space of 41 days. At the Olympic Games in Moscow in 1980, Coe won the gold medal in the 1500m, having won silver in the 800m. Four years later in Los Angeles he also won silver in the 800m before becoming the only man to successfully defend the 1500m title.

Coe retired from athletics in 1990 and two years later was elected as Member of Parliament for Falmouth and Camborne, a seat he held until 1997, when he became Private Secretary to William Hague, the Leader of the Opposition. In 2000 he was appointed a life peer and took the title of Lord Coe of Ranmore.

In 2004 Coe took over as Chairman of the London bid to host the 2012 Olympic and Paralympic Games. London was appointed as host city in July 2005 and Coe chaired LOCOG, which successfully delivered the Games in the summer of 2012. Following the London Games Coe became Chairman of the British Olympic Association and Executive Chairman of CSM Sport & Entertainment. He was elected President of the IAAF in 2015, having been a Vice President since 2007.

Coe has received numerous honours throughout his career. He was the BBC's sports personality of the year in 1979 and in 1982 he was appointed a Member of the Order of the British Empire (MBE). Eight years later he was promoted to Officer of the same order (OBE). Following his appointment as a life peer, Coe was promoted to Knight Commander of the Order of the British Empire (KBE) for his services to sport and in the 2013 New Year's Honours List he was appointed to the Order of the Companions of Honour (CH).

Lord Sebastian Coe CH, KBE appears by arrangement with Michael Cassel Group, represented by Saxton Speakers Bureau.

Convention Breakfast – Rodney Eade

Former AFL Player and Coach

Rodney's longevity as a senior coach at the highest level of Australian Rules Football for 17 years is a testament not only to his talent, people management, and strategic prowess, but his ability to transform culture. Amongst his many achievements, Rodney is a four time premiership player and was awarded AFL Coach of the year in 1996.

Inducted as an inaugural legend in Tasmanian Football's official Hall of Fame in 2005, Rodney Eade began his football career with Glenorchy in 1975, where he made an immediate impact, catching the eye of mainland talent scouts and being voted the best first year player in the Tasmanian Football League.

The following year, Eade moved to Hawthorn where he remained until 1987 for a return of 229 games with 46 goals. During this time he played in the 1978 premiership win over North Melbourne, and also figured prominently in the 1983 grand final win over Essendon. It was in 1983 that Rodney was made a life member of the Hawthorn Football Club.

In 1996, Rodney took over the reins from Ron Barassi as Head Coach at Sydney, and was the most successful coach of the Swans since Jack Bissett in the 1930's. During his tenure the club made the finals in 1996-1999 and again in 2001, losing the grand final in 1996 to the Kangaroos.

2003 saw Rodney serve as media writer and commentator for the Western Bulldogs before being appointed Coach for the 2005 season. In his first season, he took an under-achieving Bulldogs team within a goal of the finals series, having finished with less than five wins in the previous two years. In 2006 Rodney then took the team to a final series for the first time since Terry Wallace in 2000.

Rodney remained with the Bulldogs until 2011 when he was appointed Football and Coaching Strategist by the Collingwood Football Club, replacing outgoing coach Mick Malthouse. Eade coached the Australian International Rules football team in October/November 2011. He was appointed Gold Coast Suns coach in October 2014 until the end of 2017.

Sporting clubs and facilities can be the backbone to social cohesion in any community. Local Government is a key stakeholder for local recreation and sporting clubs, therefore better understanding the strategic and funding environment will assist Councils in continuing to provide low or no cost facilities and assist in supporting and developing the range of programs available for recreation organisations.

This session will include information from peak representative groups on guidelines, sports tourism, events and visitor activation, economic development for sporting associations, employment pathways, and working in remote communities.

Outcomes Measurement and Cultural Infrastructure

Strategic investment in cultural infrastructure leads to a vibrant State, empowered communities and stronger economies. The relationship between vibrancy and economic development is intimately linked through people, place and value. State Government has produced the first Cultural Infrastructure Strategy for Western Australia providing a framework to Local Government for effective planning and investment. Measuring the outcomes of creative place making provides tangible analysis on the impact to community and return on investment to Council.

This session will provide the audience with the latest information on high level strategic frameworks and key projects, recent developments to Lotterywest funding streams as aligned to measuring these outcomes, and a showcase of a digital measurement platform for measuring cultural impact to enable Council to succeed in delivering facilities and services to community.

Embracing the Future of Transport: Mobility as a Service

A revolution in transport modes and services are upon us and Local Governments need to prepare. Mobility as a Service focuses on individuals' needs to get quickly and conveniently from place to place without the need to personally own any particular transport device. Technology is the driving force behind these new transport services.

This session will provide an overview of Mobility as a Service and the important role Local Governments will play in developing supporting policies and local laws to embrace these services. The ways in which Local Governments worldwide are rapidly introducing these services to their communities will offer sound examples of learnings for WA Local Governments.

10.15am **SESSION 6 Local Solutions for Local Issues****Dale Williams** Porirua City Councillor (New Zealand)**11.00am – 11.45am** **Refreshments****11.45am** **SESSION 7 CONCURRENT SESSIONS****Collaboration for Prosperity**

What is the key to the success of local economic development initiatives? While there are many factors that can lead to success, studies have consistently recognised the importance of collaboration between all levels of Government, business and the community to delivering favourable economic outcomes.

However, in Western Australia, collaboration is often occurring in an ad hoc or piecemeal fashion, and in some cases, it is not happening at all.

This session will focus on the opportunities for Local Governments to work with the State Government to drive positive economic outcomes for their local community, and showcase practical examples of Local Governments working with others to deliver on their economic development program.

Reframing Rural Fire

This session will explore the role of the new Rural Fire Division, which was established following recommendations from the Special Enquiry into the Waroona Harvey bushfire.

Speakers will include Executive Director Murray Carter who will share the division's achievements to date, including the establishment of the Bushfire Centre of Excellence and ongoing funding for the Bushfire Risk Management Program that directly works with Local Governments in bushfire prone areas.

With Local Government playing a significant role in bushfire management this is your opportunity to hear directly from this key State partner.

Integrity and Local Law-Making

This Parliamentary function of scrutinising delegated legislation which includes Local Laws, has been delegated by Parliament to the Joint Standing Committee on Delegated Legislation. Accordingly Parliament has established functions and powers for the operation of the Committee and scrutiny of Local Laws. In addition to scrutiny, both the Committee and Local Governments share equal responsibility for ensuring that integrity is evident in the local law-making process. But what is integrity, why is it important and how do we know it has been applied in making a local law?

Former Chief Justice of New South Wales The Honourable James Spigelman AC QC has defined 'integrity' as:

"... the maintenance of fidelity to the public purpose for the pursuit of which the institution is created and the application of public values, including procedural values, which the institution was expected to obey."

A particular Local Law is most likely to fail the integrity test for reasons of unreasonableness, improper purpose, misapplication of local law-making powers and compliance with local law-making procedures. The Delegated Legislation Committee will provide commentary on its role and past issues identified with the integrity of local laws, and provide guidance on how Local Governments can learn from these experiences to ensure integrity is evident in the local law-making process.

Field Trip: Sustainable Infill

(Maximum 30 participants)**

In recent years, the redevelopment of existing residential areas has seen an increase in density, but the significant clearing of the land has generally resulted in a massive loss of tree canopy in the suburbs. Many developers indicate that this method of redevelopment is 'what the market wants', so they provide the clear site on which to build. Is it time that this method of redevelopment is challenged? Is there a better way of retaining trees and still achieving an increase in density?

This tour will provide insights in the planning process for a medium density (R40) sustainable development as Perth sustainability expert, Chris Ferreira, opens his renowned sustainable home in Hamilton Hill and is on hand to share his plans for sustainable infill development, showcasing how he plans to have four homes & 40 trees all on the one site.

SESSION 8 CONCURRENT SESSIONS

Government's WARR on Waste

In early 2019, the Government released the Waste Avoidance and Resource Recovery (WARR) Strategy and Action Plan outlining the pathway for improvements to waste management in WA. The Strategy is a first in that it requires action from State and Local Government, industry, producers and the community to achieve the Targets.

This session will focus on key implementation challenges and solutions for the Strategy, with industry and government experts sharing knowledge and expertise. Find out what the Strategy will mean for your Local Government and community.

More on Community Engagement

Community engagement a key principle of good governance, with a significant focus on this area being developed through legislative reform. This session aims to enhance public leaders' capacities to activate their communities, and promote and improve the practice of public participation in an environment that has been tainted with a high level of risk aversion. Learn more on the values, tools and quality assurance standards required to achieve successful outcomes in a safe and effective manner, and how to drive these processes through a simple digital platform that provides tactical and effective methods for online social engagement.

Social Media and Local Government: How to Balance the Risks and Rewards!

Using social media can be an overwhelming experience. Whilst it presents incredible opportunities for Local Governments and Elected Members to better connect and engage with their communities, the dark side of social media means online forums can be places where criticism, negativity, mistruths and even bullying is the norm, often without any accountability.

This session will provide the audience with insights into the power of social media (the good, bad and ugly) and tips on how to manage interaction with communities and residents who might not always play by the rules!

Special dietary requirements, mobility or any other special needs should be indicated when registering – WALGA will use its best endeavours to meet these requests.

Accommodation

Hotel information and booking forms are available at www.walga.asn.au/lgc19. Reservations are to be made direct with hotel. Please note that city hotels have limited guest parking so clarify these arrangements when booking.

Inter-venue transfers

Due to low take up, there will be no private bus transfer service available from the PCEC this year.

The convenient, free and frequent bus services operating within the CBD are recommended for transfers between city hotels and the PCEC – for detailed information on these services go to www.transperth.wa.gov.au – and hotel staff can offer some local advice to guests.

PCEC Parking

For those requiring daily parking, WALGA can arrange for a multi-entry (24 hour access) parking space in the underground car park at the PCEC at a daily cost of \$39. Parking space requests must be indicated when registering – please note the non-extendable deadline for these requests is **Tuesday, 9 July 2019**.
