In accordance with Regulation 34 of the Local Government (Financial Management) Regulations, the Council must adopt a percentage over (or under) which a budget variance would be considered material when it reviews the monthly financial statements and accept the annual budget review.

The Council has resolved that the following be adopted for reporting material variances in assessing statements of financial activity for the 2020/2021 financial year:

1. Expenditure in excess of 10% of (monthly) budget, to a minimum of \$5,000.00.
2. Income less than 90% of (monthly) budget, to a minimum of \$5,000.00.

The following are the explanations of material variance between Budget YTD and Actual YTD figures for the current month.
