9.1.1 RECREATION ADVISORY COMMITTEE - ENDORSEMENT OF RECOMMENDATION – WILSON PARK FENCING

File Ref:	N55575
Attachments:	<u>Recreation Advisory Committee Minutes 29 June 2021</u>
Responsible Officer:	Andrus Budrikis Executive Manager Strategic Development
Author:	Sonja Parker Community Development Officer
Proposed Meeting Date:	27 July 2021

PURPOSE

The purpose of this report is to endorse the Recreation Advisory Committee's recommendation to install a boundary fencing along Lowood Road at Wilson Park to improve community safety and address community feedback.

BACKGROUND

The Council at its meeting held on 23 February 2021 (resolution No. 050/21) referred the issue of installing a child-proof fence at Wilson Park to the Recreation Advisory Committee. The proposal for fencing was supported by the Committee to address extensive community feedback and requests to improve community safety on the site by limiting access to Lowood Road by children while playing.

The Recreation Advisory Committee at its meeting held on 4 March 2021, discussed options for fencing including the style, length and anticipated expenditure, with the Committee recommending a budget allocation in the 2021/22 Financial year, with the value to be confirmed at the June committee meeting.

At the Recreation Advisory Committee meeting, held on 29 June 2021, the quote for installation of a fence along the Lowood Road boundary of Wilson Park was considered.

Accordingly, the recommended outcome for this report aligns with the Strategic Community Plan.

OFFICER COMMENT

Community feedback received by the Shire over an extended period has identified a strong desire for the installation of fencing along Lowood Road at Wilson Park. This has been proposed to increase community safety and address concerns with potential children and traffic conflict given the proximity of play equipment to the edge of Lowood Road.

The Recreation Advisory Committee considered options for fencing at the site and supported the installation of approximately 150m of 900 mm high black chain link mesh and powder coated post and rail system to be installed in the 2021/22 financial year, pending budget adoption, at an expense of \$13,000.00.

Further, the Recreation Advisory Committee endorsed this style of fencing as the preferred option for any further fencing required in Wilson Park.

The Community Development Officer recommended the establishment of a Youth Advisory Group to guide this process, in combination with other consultation processes. LEGAL IMPLICATIONS

There are no legal implications for this report.

ASSET MANAGEMENT IMPLICATIONS

STRATEGIC IMPLICATIONS

The Shire of Plantagenet Strategic Community Plan 2017-2026 provides at:

Outcome 1.4 Opportunities for development and participation of youth

Strategy 1.4.1:

Promote programs that assist in youth development and leadership.

Strategy 1.4.2:

Provide and promote appropriate and accessible facilities and activities for youth.

Accordingly, the recommended outcome for this report aligns with the Strategic Community Plan.

OFFICER COMMENT

At the Recreation Advisory Committee meeting held 29 June 2021, the Community Development Officer provided a briefing paper on the proposal to establish a Youth Advisory Group (YAG). The concept to establish a YAG was identified as an action for further investigation from feedback via the Youth Precinct Community Consultation Survey 2020. There was notable support from the community via this survey for a volunteer community advisory group to drive the youth precinct design and development.

A YAG, also known as a Youth Advisory Council (YAC), is a group of young people (between the ages of 12-25 years) that can advise Council on matters relating to young people and provide a youth voice and perspective into decision making. The YAG offers many benefits to both the participants by providing experience in leadership and offering greater inclusion; as well as the local government through improved understanding of youth values in the community informing better decision making, and greater success in grant funding through genuine community engagement.

Three specific outcomes proposed for a Shire of Plantagenet YAG are to:

- Guide the development of the Youth Precinct Concept Plan and delivery of a range of youth events and programs to activate the space (2021/22)
- Provide input and drive development of a Youth Plan to give the Shire a long-term approach to youth planning and program delivery (for 2022/23)

- Oversee a Community Youth Grants Program whereby small grants between \$500 and \$1,000 can be allocated to youth focused projects submitted by the community, to be assessed and approved the YAG with updates provided to the Recreation Advisory Committee (for 2022/23). Funding of \$4,000 for this proposal is included in the draft FY2021/22 budget.

These outcomes provide a genuine incentive and deliverable for the group to work towards and demonstrate to the YAG members the Shire's commitment to engaging and listening to the youth by giving them ownership over key programs. As per the Recreation Advisory Committee recommendation, the YAG would be reviewed after a two-year period with a report provided back to the Recreation Advisory Committee for consideration.

At the end of the two years period a report will be presented to the Recreation Advisory Committee reviewing the value and achievements of the YAG with recommendations as to the continuation of the YAG and terms of reference.

9.1.3 ADVERSE EVENTS PLAN

File Ref:	N55543
Attachments:	<u>Adverse Events Plan</u>
Responsible Officer:	Andrus Budrikis Executive Manager Strategic Development
Author:	Laura Adams Economic Development Officer
Proposed Meeting Date:	27 July 2021

PURPOSE

The purpose of this report is to present the Shire of Plantagenet Adverse Events Plan for Council endorsement.

BACKGROUND

In January 2020, the Shire of Plantagenet was announced as eligible for up to \$1,000,000.00 of Drought Communities Programme – Extension (DCP) funding. The purpose of this Commonwealth grant was to stimulate local spending and provide a long-lasting benefit to communities and the agricultural industries they depend on, in addition to promoting resilience to future adverse events.

A prerequisite to receiving the funding was the development of a LGA Adverse Events Plan (AEP), which was to cover, inter alia, natural resource management, community resilience, and communication and coordination planning. If the LGA receiving DCP funding did not have an existing AEP there was a requirement to ring-fence \$25,000.00 of the funding to produce one.

The Council at its meeting held on 14 July 2020 resolved that:

‘The following projects and grant fund allocations for the Drought Communities Programme – Extension grant application be endorsed:

- 1. Mount Barker Infrastructure Projects - \$375,000.000*
- 2. Mount Barker Swimming Pool Redevelopment - \$600,000.00.*
- 3. Adverse Event Plan and audit - \$25,000.00.’*

The scope for a consultant to produce an AEP from was set at an inter-departmental meeting in February 2021. Following a Request for Quote process in March 2021, Consulting Great Southern were selected to develop the AEP.

STATUTORY ENVIRONMENT

There are no statutory implications for this report. The AEP compliance requirements are set out in the Drought Communities Programme – Extension Grant Opportunity Guidelines, which are aligned with Australian Government objectives.

EXTERNAL CONSULTATION

This AEP was developed through a consultation session with local stakeholders including representatives from the Local Emergency Management Committee (LEMC), Department of Justice, Main Roads, Red Cross and St John WA.

FINANCIAL IMPLICATIONS

There are no immediate financial implications for this report.

BUDGET IMPLICATIONS

Budget item Adverse Events Plan was allocated \$25,000 mid-year in a budget review.

POLICY IMPLICATIONS

Policy implications do not apply for this report and it is the opinion of the author that policy development is not required.

LEGAL IMPLICATIONS

There are no immediate legal implications for this report.

STRATEGIC IMPLICATIONS

The Shire of Plantagenet Strategic Community Plan 2017-2026 provides at Outcome 1.9 (A safe Plantagenet) the following Strategy:

Strategy 1.9.2:

'Support the community in emergency and fire management planning, preparedness, response and recovery.'

Accordingly, the recommended outcome for this report aligns with the Strategic Community Plan.

OFFICER COMMENT

The key exercise that has been carried out in the development of this AEP is the mapping of risks specific to Plantagenet, and the identification of agencies responsible in those situations. Gaps have been identified in setting this inter-agency framework out, such as infrastructure weaknesses and situations where no lead agency has been identified. The plan flags up advocacy opportunities for the Shire and identifies potential projects that could be used to seek funding in the future.

The draft has been sent to stakeholders operating in emergency management for their comment, with particular emphasis given to the requirement for them to review Section 4 and agree to its delineation of responsibilities. The recommendations in this section have also been produced collaboratively with these agencies.

As the current DCP funding agreement stands, a final acquittal report is required to be submitted in August 2021. A variation to this agreement has been applied for on the grounds of contractor availability, price increases, supply chain issues and adverse weather conditions. Should this variation be granted, the AEP will be delivered alongside the construction project acquittals in December 2021. Otherwise,

the AEP will need to be submitted to the Department of Industry, Science, Energy and Resources in August.

BACKGROUND

Council records show the registered owners of Lot 856 Muir Highway are A and H Lindberg.

Lot 856 Muir Highway was the subject of a successful homestead lot subdivision application with the Western Australian Planning Commission (WAPC). As a consequence, two new lots were created and Lot 50 and Lot 51 mentioned above (shown on the deposited plan) are the two proposed new lot numbers.

The Manager Development Services considered the proposed homestead lot subdivision of Lot 856 Muir Highway on 5 December 2017 in accordance with Council Delegation 7.1A.

The subdivision application was supported subject to the northwest corner of the battleaxe being truncated where it meets Muir Highway.

The subdivision application was approved by the WAPC on 25 January 2018 subject to a number of conditions including:

'5. A notification, pursuant to Section 70A of the Transfer of Land Act 1893 is to be placed on the certificate of title of proposed Lots A and B. Notice of this notification is to be placed on the diagram or plan of survey (deposited plan). The notification is to state as follows:

- An asset protection zone (APZ) to achieve BAL-29 or lower;*

- *A minimum 10000 litre dedicated static water supply for fire fighting accessible by a fire appliance; and*

9.3.3 PROPERTY RATES – 2021/2022

File Ref: N55565
Responsible Officer: Cameron Woods
Chief Executive Officer
Author: John Fathers
Deputy Chief Executive Officer
Proposed Meeting Date: 27 July 2021

PURPOSE

The purpose of this report is to set the property rates, establish an early payment incentive, payment instalment options and fees and set the interest rates for overdue and late payments in readiness for the adoption of the 2021/2022 budget.

BACKGROUND

It should be noted that, due to the impact of the Covid-19 pandemic, the Minister for Local Government has issued a Ministerial Order limiting the level of interest on overdue rate payments or on rates that are paid by instalment in the 2021/2022 financial year. The limits are as follows:

- Penalty interest reduced from a maximum of 11% to 7% (in-line with ATO penalty rates)
- Instalment interest to remain at 5.5% if a Local Government has a Hardship Policy, and to be a max of 3% if a Local Government does not have a hardship policy. (The Shire of Plantagenet has a policy for rates debt collection – hardship.)
- For those that are in hardship and meet the Local Government Hardship policy eligibility, then no penalty interest or instalment interest rate applies. Each Local Government decides on approving the application for hardship.

Level of Rates

As a result of the economic downturn associated with the Covid-19 pandemic, the Shire did not increase rates in 2020/2021. This year councillors have endorsed an overall increase of 3%, which reflects cost increases over the two year period.

The general minimum rate will increase by around 3% to 925.00. The rubbish collection charges will increase to \$335.00 for domestic collections and \$450.00 for non-domestic collections.

The Waste Rate will increase to \$57.00 per rates assessment, using the minimum rate provisions of the Local Government Act 1995.

Discount

Section 6.12 (1)(a) permits a local government to grant a discount or incentive for the early payment of money which is owed to the Council. As in previous years, it is recommended that a discount not be offered and no allowance has been made for any early payment discount to reflect this.

Incentive

The Council has previously offered incentive prizes to encourage the early payment of rates. Only ratepayers who have paid their rates in full and by 6 September 2021 will be entered into the draw.

For the 2021/2022 year, the following prizes are on offer:

First Prize - \$750.00 bank account with the Bendigo Community Bank.

Second Prize - A two-night weekend stay for two people including full buffet breakfast each morning, at the Quality Ambassador Hotel Perth in a premium deluxe room.

Third Prize - One carton of mixed wine donated by Mount Barker Wine Producers Association at a retail value of \$200.00.

Instalments

It is recommended that the following three payment options be offered as in previous years.

- (1) To pay the total rates and charges included on the rate notice in full by the 35th day after the date of issue of the rates notice; or
- (2) Two equal instalments. The first instalment will be due on the 35th day after the date of issue of the rates notice and the second instalment four calendar months after this date.
- (3) Four equal instalments. The first instalment will be due on the 35th day after the date of issue of the rates notice and the remainder at two calendar month intervals after this date.

Instalment Fee

It is recommended that an instalment fee of \$7.50 be charged for each instalment reminder issued after the first instalment is paid. A special payment arrangement administration charge of \$25.00 (excluding pensioners) will again apply, for those people who wish to pay rates through an instalment plan, but do not qualify for a standard instalment plan, due to late payment or other circumstances. This is the same as that charged in recent years.

Interest on Instalments

It is recommended that the maximum interest rate of 5.5% per annum be applied to instalment payments. Again, this is consistent with the previous year's charge and statutory requirements.

Late Payment Penalty Interest

It is recommended that late payment penalty interest be charged at 7% per annum, in line with the Ministerial Order.

It is proposed that the late payment penalty interest will apply to rates that remain unpaid where no election was made to pay the rate by instalments and on overdue instalment payments where an election was made to pay by instalments.

STATUTORY ENVIRONMENT

Section 6.25 to 6.82 of the Local Government Act 1995 and Sections 52 to 78 of the Local Government (Financial Management) Regulations relate to property rating requirements and procedures.

FINANCIAL IMPLICATIONS

The property rates proposed have been established on the basis of delivering a balanced budget with a 3% increase on the 2020/2021 rate revenue, as well as minor increases to rubbish collection charges and waste rate.

BUDGET IMPLICATIONS

There are no budget implications for this report.

POLICY IMPLICATIONS

Policy A/PA/8 Rating – Rate Incentive Prize applies.

Policy F/FM/12 Budget Preparation applies.

LEGAL IMPLICATIONS

There are no legal implications for this report.

ASSET MANAGEMENT IMPLICATIONS

There are no asset management implications as no assets are being created or acquired.

STRATEGIC IMPLICATIONS

The Shire of Plantagenet Strategic Community Plan 2017-2026 provides at Outcome 4.6 (Effective and efficient corporate and administrative services) the following Strategy 4.6.3:

‘Maintain, develop and monitor rating and property strategies.’

OFFICER COMMENT

A revaluation of unimproved value rates base has been carried out by the Valuer General’s Office for the 2021/2022 financial year. The movement is as follows.

	2020/2021	2021/2022	Movement
Total UV Valuation	\$584,642,047	\$632,786,000	8.2%

In line with Council Policy F/FM/12, a ratio has been used to determine the proportion of rates raised between property valuation categories, regardless of re-valuations. This has been combined with adjustments in the respective rates in the dollar to reflect a proportionate increase in rates.

This has resulted in the rates in the dollar being adjusted as follows:

- Unimproved Value – 0.8060 to 0.7626 (decrease of 5.4%).

Gross Rental Value – 9.7453 to 10.3793 (increase of 6.5%).

Author: John Fathers
Deputy Chief Executive Officer
Proposed Meeting Date: 27 July 2021

PURPOSE

BACKGROUND

The 2021/2022 budget has been prepared as a balanced budget with significant input from staff and elected members. The Council considered the list of fees and charges for the 2021/2022 financial year as part of its budget workshop process.

STATUTORY ENVIRONMENT

Section 6.2 of the Local Government Act 1995 requires a local government to prepare and adopt, by absolute majority, an annual budget prior to 31 August in each year. Sections 6.15 to 6.19 of the Local Government Act 1995 relate to the imposition of fees and charges for a local government.

FINANCIAL IMPLICATIONS

The adoption of the budget enables the operations of the Council to continue effectively and issue rates in a timely manner to assist with income generation and cash flow.

BUDGET IMPLICATIONS

This report enables the adoption of the budget for 2021/2022.

POLICY IMPLICATIONS

The budget was framed in line with Council Policy F/FM/12 – Budget Preparation.

LEGAL IMPLICATIONS

There are no legal implications for this report.

ASSET MANAGEMENT IMPLICATIONS

There are no asset management implications as no assets are being created or acquired.

STRATEGIC IMPLICATIONS

The Shire of Plantagenet Strategic Community Plan 2017-2026 provides at Outcome 4.6 (Effective and Efficient Corporate and Administrative Services) the following Strategy 4.6.1:

'Provide a full range of financial services to support Shire's operations and to meet planning, reporting and accountability requirements.'

Further, the adoption of the budget is a primary mechanism in enabling the goals and outcomes set out in the Strategic Community Plan to be achieved.

STRATEGIC RISK IMPLICATIONS

There are no strategic risk implications for this report.

REGIONAL IMPLICATIONS

There are no regional implications for this report.

OFFICER COMMENT

The budget comprises expenditure of \$25.7 million, including operating expenditure of \$15.5 million and capital expenditure of \$10.2 million.

Major projects include a redevelopment of Kendenup Hall toilets at around \$150,000, renewal of the playground at Narrikup Hall at \$41,000 and a new staff canteen and ablutions block at the Saleyards costing over \$200,000. The Council will also undertake a larger than normal roadworks program totalling \$3.8 million, due in part to successful applications for road grant funding.

The Mount Barker Memorial Swimming Pool redevelopment will continue, at a cost of \$1.67 million, as will the upgrade of the public toilets at Frost Park.

The budget maintains a focus on road renewal as well as on renewing and developing new assets. Capital roadworks (new projects) totalling over \$3.7 million are proposed, with over \$1.62 million (43%) being directly funded from State and Federal sources.

Proposed plant purchases include the replacement of the Isuzu NPR 250/300 Crew Cab and Isuzu NPR 300 Tipper.

The Shire has received substantial grant funding from the Commonwealth Government over the last 12 months under the Drought Communities Program and Local Roads and Community Infrastructure Programs. While some of this has been directed to roadworks and the swimming pool project, approximately \$400,000 is being directed towards projects along Albany Highway to improve the infill drainage, provide a large mural and a number of streetscape enhancements. A further \$432,000 is being spent on boardwalks, walkways and a carpark on Mount Barker Hill, as a first stage to further developments, including potential mountain bike trails.

The Council will also return over \$50,000 to the community through its Community Grants Program.

Several improvements are proposed for the Mount Barker Regional Saleyards, namely a staff canteen and public shower and ablutions block, further treatment of rust damage to roof members and braces for walkways and bays, and the second allocation to replace the weighbridge panel scanners. The cost of these improvements are sourced from the Saleyards Capital Improvements Reserve Fund and do not require ratepayer funds.

The draft 2021/2022 budget reflects a number of changes to operations and fees arising from service levels reviews of the swimming pool, recreation centre and waste areas. Service levels have been maintained across all other programs.
