Dear Mark

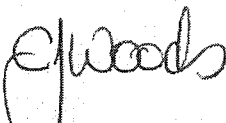

Damage to Woogenellup Hall

Thank you for taking the time to attend the Ordinary Meeting of Council held on 26 October 2021 to request an update on when the damage to Woogenellup Hall wall would be repaired.

As of Thursday the 28 October, the Shire has received 2 quotes for the repair works.

Our insurer has verbally accepted the lowest quote and will issue confirmation to the preferred contractor next week.

The preferred contractor will likely start work in mid-February and the works could take up to 8 weeks to complete.
