## Introduction

### Format of Register

This Register includes:

- Delegations from the Council to the Chief Executive Officer, and where appropriate to other employees; and
- Sub delegations from the Chief Executive Officer to other employees

The Register includes the relevant delegation decision followed by a sub delegation decision (where relevant).

As a matter of principle throughout the Register, the Chief Executive Officer is the only employee authorised by the Shire of Plantagenet to commence (or authorise the commencement of) legal proceedings.

### Terminology and Acronyms

*Clause* – of the Shire of Plantagenet ~~Town Planning Scheme No 3~~ Local Planning Scheme No 5, referenced by 'cl', as in cl8.2.1.

*Employee* – refers to an employee of the Shire of Plantagenet. It should be noted although the Chief Executive Officer may generally only delegate a function or duty to an employee (s5.44 Local Government Act 1995 and others) any 'person' may be appointed an Authorised Person (although some Acts, such as the Building Act 2011 and Health Act 1911 require only employees or certain qualified employees to be 'authorised' or 'appointed'). ~~Thus~~ Thus, care needs to be taken to ensure that contractors are not 'delegated' functions or duties, although they may be appointed as Authorised Persons.

*Regulation* – subordinate legislation, referenced by 'r', as in r22.

*Schedule* – to an Act, referenced as 'Sch', as in Sch 3.2.

*Section* - of an Act, referenced by 's', as in s5.42.

*Sub delegation* – the terms 'sub delegate' and 'sub delegation' are used as a style preference, rather than 'on delegate' or 'on delegation'.

### Delegations and Sub Delegations

The application of delegated authority is intended to improve the efficiency, effectiveness and timeliness of decision making and is consistent with the Shire's Strategic Community Plan and commitment to a strong customer service focus.

The use of delegated and sub delegated authority does not 'undermine' the roles and responsibilities of elected members constituting the Council as the peak local ~~decision-making~~~~decision-making~~ body of the community. Rather it should be seen as freeing up the Council from some matters to ~~be~~ better able to deal with high level strategic matters and in the knowledge that decision making on the former will be made by employees consistent with Council Policy and precedents.

The Council (and the Chief Executive Officer in the case of most sub delegations) will only delegate matters where the relevant employees have the appropriate skills and expertise to implement the delegation or sub delegation within the Shire's decision-making frameworks. At the same time the exercise of all delegated and sub delegated authority is subject to complying with relevant Policies of the Shire, which are cross referenced within each Instrument.

An important safeguard is also the principle that nothing prevents the delegating body or person from taking back a delegation or sub delegation or actually making the relevant decision on a particular issue.

This Register describes:

- the 'head of power' for the exercise of delegation to an elected member, employee, Committee or person
- the 'head of power' for sub delegation (where such authority exists under the relevant legislation),
- the precise authority being delegated, including any limits, restrictions or conditions
- relevant Shire policies applicable to the execution of the delegation or sub delegation
- the statutory requirements for the Council to review all delegations, and others to review sub delegations.

In general, for all matters, whether made under the Local Government Act 1995, or otherwise, the requirement of the Local Government Act 1995 to review the Register at least once every financial year will be followed, except where delegations under other Acts have different requirements. Where there is no statutory requirement for review, the provisions of the Local Government Act will be applied to ensure uniformity of approach and outcome.

### Authorisations

This Register includes authorisations under the Local Government Act 1995 and other legislation. In most cases, authorisations are made by the Chief Executive Officer under delegated authority. In some cases, authorisations are made by the Council itself because the relevant statute requires.

Some legislation provides for authorisation of Local Government officers to have powers as are necessary in order for them to perform their required duties as a specific function of the local government. These duties are carried out as 'acting through' functions under s5.45(2) of the Local Government Act 1995.

### Appointments

Consistent with the aim of providing a single resource, this Register includes appointments under various statutes, in some cases such appointments are "as of right" and in others the Council or the Chief Executive Officer has chosen not to make an appointment at the date of adoption of this Register.

### Local Government Act 1995

The majority of delegations and sub delegations described in this Register originate under the Local Government Act 1995 which permits a local government (by absolute majority decision under s5.42(1)) to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act except those listed in s5.43, which are:

- any power or duty that requires a decision of an absolute majority or special majority of the local government
- accepting a tender which exceeds an amount determined by the local government
- appointing an auditor
- acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government
- any of the local government's powers under s5.98, 5.98A, s5.99, s5.99A and s5.100 of the Act
- borrowing money on behalf of the local government
- hearing or determining an objection of a kind referred to in s9.5 of the Act
- the power under ~~s~~**s**9.49A(4) of the Act to authorise a person to sign documents on behalf of the local government
- any power or duty that requires the approval of the Minister or the Governor.

In addition, there are several other matters which cannot be delegated to the CEO:

- under r18G of the Local Government (Administration) Regulations s7.12a, 7.12(2), 7.12A(3)(a) and s7.12(4), which relate to meetings with auditors
- under r18C and 18D which relate to the recruitment and performance management of the Chief Executive Officer.

The delegation powers under the Local Government Act 1995 relate to the Act itself, Regulations made under the Act and Local Laws made under the Act.

#### Other Legislation

Legislation other than the Local Government Act 1995, its Regulations and the Shire's Local Laws created under the Act where delegations, authorisations or appointments may occur (and which are relevant to the Shire of Plantagenet) include:

- Animal Welfare Act 2002
- Australian Citizenship Act 2007
- Building Act 2011 and Building Regulations 2012
- Bush Fires Act 1954, regulations and local laws created under that Act
- Cat Act 2011 and regulations
- Caravan Parks and Camping Grounds Act 1995
- Control of Vehicles (Off-Road Areas) Act 1978 and regulations
- Dog Act 1976 and regulations
- Equal ~~Employment~~ Opportunity Act 1984
- Environmental Protection Act 1986
- Food Act 2008
- Freedom of Information Act 1992
- Graffiti Vandalism Act 2016
- Health (Miscellaneous Provisions) Act 1911 regulations and local laws created under that Act
- Health (Asbestos) Regulations 1992
- Land Administration Act 1997, and regulations
- Litter Act 1979 and regulations
- Local Government (Miscellaneous Provisions) Act 1960
- Parks and Reserves Act 1895
- Planning and Development Act 2005 including regulations, policies and the ~~TownLocal~~ Planning Scheme
- Public Interest Disclosure Act 2003
- Public Health Act 2016
- Rates and Charges (Rebates and Deferments) Act
- Road Traffic Act 1974
- Strata Titles Act 1985.

~~The Shire of Plantagenet Town Planning Scheme No 3 permits delegation by Council to employees (rather than via the Chief Executive Officer as per the Local Government Act). Accordingly, the process defined by the Town Planning Scheme for delegating authority and duties is utilised.~~

~~The Planning and Development (Local Planning Schemes) Regulations 2015, Schedule 2 Part 10 Clauses 82 and 83 enable local government to delegate powers and duties to the CEO who, in turn, may delegate powers or the discharge of the CEO's functions under the Scheme to an employee.~~

#### Sub Delegation by the Chief Executive Officer

The Local Government Act 1995 allows the Chief Executive Officer to delegate any of the powers delegated to the office of Chief Executive Officer to another employee (s5.44(1)), in writing (s5.44(2)) and may include conditions (s5.44(4)).

#### Review of Delegations

The Register of Delegations relevant to the Chief Executive Officer and other employees will be reviewed at least once every financial year (s5.46(1), (2)).

As a matter of principle, the Shire of Plantagenet will review all delegations, authorisations and appointments at least once in every financial year, whether under the Local Government Act 1995, or another Act. This will include the Chief Executive Officer reviewing all sub delegations, authorisations and appointments made by him or her.

#### Record of Actions and Decisions

If a person is exercising a power or duty that has been delegated (including sub delegated), the Local Government Act requires that records be kept whenever the delegated authority is utilised (s5.46(3)).

The record is to contain information on:

- how the person exercised the power or discharged the duty
- when the person exercised the power or discharged the duty
- the persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty (r19 Local Government (Administration) Regulations 1996).

Departments responsible for a work process are to ensure that data is captured and records managed in accordance with all legislation, as well as preparing reports to Council where required under a specific delegation.

#### Primary/Annual Returns and Gift Disclosures

A person to whom a duty or power is delegated under the Local Government Act 1995 is considered to be a 'designated employee' under s5.74(b) of the Act and is required to complete a primary and annual return each year. These requirements relate only to delegations under the Local Government Act 1995 and not any other Acts.

#### Acting through another person

The Local Government Act recognises that employees do not always need delegations (or sub delegations) to carry out their tasks and functions on behalf of the Shire. Section 5.45 (2) of the Act states:

Nothing in this Division (Division 4 - Local Government Employees) is to be read as preventing:

- a) a local government from performing any of its functions by acting through a person other than the Chief Executive Officer
- b) a Chief Executive Officer from performing any of his or her functions by acting through another person.

The key difference between a delegation and 'acting through' is that a delegate exercises the delegated decision-making function in his or her own right. Thus, an employee may pay an account or issue an approval if directed to do so by another employee who has the authority to make such a decision and chooses to 'act through' another employee.

The principal issue is that where a person has no discretion in carrying out a function, then that function may be undertaken through the 'acting through' concept. Alternatively, where the decision allows for discretion on the part of the decision maker, then that function needs to be delegated for another person to have that authority.

The difference between a delegated authority to exercise a discretion on behalf of the Shire and acting through another person to undertake a function on behalf of the Shire where no discretion exists is reinforced by s56 of the Interpretation Act 1984 which states –

*56. "May" imports a discretion, "shall" is imperative*

- (1) Where in a written law the word "may" is used in conferring a power, such word shall be interpreted to imply that the power so conferred may be exercised or not, at discretion.*
- (2) Where in a written law the word "shall" is used in conferring a function, such word shall be interpreted to mean that the function so conferred must be performed.*

Guideline No 17 - Delegations.
