Purpose

To provide the Shire of Plantagenet (the Shire) Council, staff, the local community and developers with clear information on the requirements for the naming and renaming of roads and reserves within the Shire.

This includes ensuring that road and reserve names comply with relevant legislation and requirements and that consideration and regard is given to the history, natural environment, culture and character of the area when determining road and reserve names.

3. Applications for inclusion on the Future Road Names and Reserves Register shall be accompanied by appropriate supporting evidence from the applicant to meet the requirements of Landgate's Policy and Standards for Geographical Naming in Western Australia.
4. An applicant who is applying to have a road renamed is responsible for obtaining the necessary written support from the owners/residents, providing supporting evidence to meet the requirements of Landgate's Policy and Standards for Geographical Naming in Western Australia and paying the Road Renaming Application Fee as detailed in the Council's Annual Fees and Charges.
